**Jonas
Magram**

*"Inspired, powerful, and joyous
original songs and chants
celebrating peace, higher love
and spiritual awakening ..."*

"Every time I experience one of Jonas' concerts I am uplifted, healed, cleared, and energized. He is an inspiring performer, who freely shares his great sense of humor and opens the hearts of his audience. It is such a gift to share his sparkling presence, and I do mean 'sparkling!'." — VEDYA KAUR BOIKESS
