Celebrating our Spiritual  
Magnificence

## Our Mission

The Center empowers individuals to live an abundant, spirit-connected life through sacred service, community, and Science of Mind principles.

Center for Spiritual Living - Redding provides spiritual tools to transform our personal lives and help make the world a better place.

Center for Spiritual Living is a spiritual community and way of life that honors all paths to God and helps people to discover a personal relationship with God. When God is the focus of our spirituality, then other areas of our lives fall into place—we are happier, we can do more for others, be better stewards of the Earth, and bring peace and harmony to the world.

We extend a warm welcome to all people in search of a spiritual community where they are embraced, respected, and accepted for who they are and inspired and supported to grow to their highest potential.
